

SEAMASTER PRO SERIE - "INGEN KABEL" ANTENNER—DET SMARTE ALTERNATIVET
Pasific Aerials produserer bl.a. antenner hvor kabelen er festet til braketten, slik at antennen enkelt kan demonteres uten at antennekabelen følger med. Det er mange fordeler med dette. Passer for mindre båter hvor det er ønskelig å demontere antennen etter behov. Koblingen er tilpasset med nylon pakning, slik at pakningene ikke blir utslitt ved stadig demontering av antennen. Antennene er mindre enn 2 meter høye. Ytelse opp til 3 dBi (6dB "marine ytelse")

SEAMASTER SERIE

Standard antenner for de som ikke har behov for å demontere antennen. Antennekabelen er her festet til antennen.

LONGREACH PRO SERIE

"Ingen kabel" demonterbare antenner for større båter, og for de som søker større ytelse. Disse antennene er høyere enn 2 meter og har en ytelse opp til 9 dBi (12 dB "marine ytelse"). Pakninger i rustfritt stål.

LONGREACH SERIE

Standard antenner for de som ikke har behov for å demontere antennen. Antennekabelen er her festet til antennen. De fleste antennene er over 2 meter høye og har ytelse opp til 6 dBi (9dB "marine ytelse").

DEEPSEA SERIE:

Antenner beregnet for installasjon på yrkesbåter og kyststasjoner. 35mm glassfiberantenner og rustfritt stålfester.

SEAMASTER PRO SERIES

No-cable antennas: first choice for new installations

SeaMaster Pro Antennas

Product Nylon Ferrules - install with Seamaster Pro Antenna Mounts

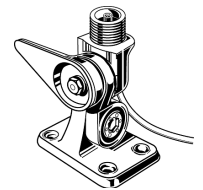

- P6101 VHF 1.8 metre antenna, UltraGlass, 1/2w 3dBi/ 6dB
- P6102 VHF 2.5 metre antenna, UltraGlass, 1/2w 3dBi/ 6dB
- P6105 VHF 1.2 metre antenna, tapered stainless steel, 1/2w 3dBi/ 6dB
- P6103 AM/FM broadcast, 1.8m antenna, UltraGlass, tuned dipole
- P6104 AM/FM broadcast, 2.5m antenna, UltraGlass, tuned dipole

SeaMaster Pro Antenna Mounts

Glass-filled nylon

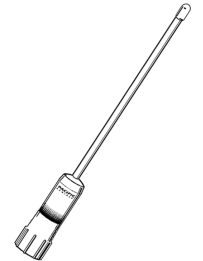

- P6111 VHF fold-down mount with 5 metre cable and FastFit plug
- P6113 VHF 1" rail mount with 5 metre cable and FastFit plug
- P6115 VHF through-deck mount with 5 metre cable and FastFit plug
- P6114 AM/ FM fold-down mount with 5 metre cable and car radio plug
- P6116 AM/ FM through-deck mount with 5 metre cable and car radio plug
- P6118 SeaMaster Pro AM/FM Rail Mount

SeaMaster Pro Heliflex Antennas

Flexible Nylon - install with Seamaster Pro Antenna Mounts

- P6106 VHF 0.3m antenna, nylon Heliflex, 1.2dBi/ 2.4dB
- P6107 AM/FM broadcast 0.3m antenna, nylon heliflex
- P6108 CDMA Cellphone 0.3m antenna, nylon heliflex
- P6109 GSM cellphone 0.3m antenna, nylon heliflex

SEAMASTER RANGE

SeaMaster Antennas

Nylon ferrules, side entry cable - fit with SeaMaster Antenna Mounts

- P6003 VHF 1.8 metre antenna, UltraGlass, 5 metre cable and FastFit plug, 1/2w 3dBi/ 6dB
- P6004 VHF 2.5 metre antenna, UltraGlass, 5 metre cable and FastFit plug, 1/2w 3dBi/ 6dB
- P6032 VHF 1.2m antenna, tapered stainless steel, 5m cable & FastFit plug, 1/2w 3dBi/ 6dB
- P6046 AM/FM 1.8m ant, UltraGlass, tuned dipole, 5m cable & car radio plug
- P6047 AM/FM 2.5m ant, UltraGlass, tuned dipole, 5m cable & car radio plug
- P6028 CB 2.5 metre antenna, UltraGlass, 5 metre cable and FastFit plug, 1/2w 3dBi/ 6dB
- MAT500C 6dB 2.5m Antenna, Ultraglass with S/S ferrules, 5m cable and Fastfit plug

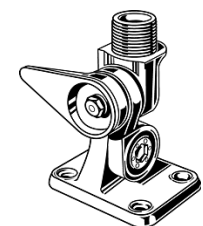

Product

code SeaMaster Antenna Mounts

Glass-filled nylon small footprint mounts

- P6006 Fold-down mount, 6mm stainless steel fasteners
- P6069 Glass-filled nylon adjustable mount (use where antenna does not have to fold down)
- P6007 Glass-filled nylon 1" rail mount
- P6067 Nylon deck mount for light VHF (P6032/ 33) and GPS antennas
- P6080 Glass-filled nylon through-deck mount

**Antennas with stainless Steel mounting brackets: mast or side mount
(install P6001 with SeaMaster cable packs)**

- P6001 VHF 1.1m ant, tapered s/ steel, s/ steel bracket, UHF/ SO239 connector, 1/2w 3dBi/ 6dB
- P1090 VHF 1.1m ant, tapered s/ steel, s/ steel bracket, 5m cable & FastFit plug, 1/2w 3dBi/ 6dB
- P1090AF AM/FM 1.1m antenna, tapered s/ steel, 5m cable & car radio plug

Cable packs for P6001

- P6012 VHF 10 metre cablepack with fitted connectors and weathershield
- P6013 VHF 15 metre cablepack with fitted connectors and weathershield
- P6014 VHF 20 metre cablepack with fitted connectors and weathershield
- P6015 VHF 25 metre cablepack with fitted connectors and weathershield
- P6016 VHF 30 metre cablepack with fitted connectors and weathershield

Extension cable packs

- P6018 VHF 5m cable extension
- P6020 VHF 10m cable extension
- P7102 AM/FM 5m cable extension

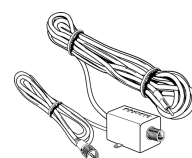

Low-loss extension cablepacks for cellphone antennas

- P6070 Cellular antenna 5 metre extension cablepack
- P6061 Cellular antenna 10 metre extension cablepack
- P6062 Cellular antenna 15 metre extension cablepack

Emergency VHF antenna

- P6031 VHF portable/ emergency ant in stowage pack, 5m cable and plugs, 1/2w 3dBi/ 6dB

Band splitter: connects AM/ FM radio to VHF antenna

- P7101 VHF/AM/FM broadcast band splitter, with VHF and car radio plugs

Antennas for VHF portable radios: improve transmit & receive range

- P6081 VHF flexible antenna for portable radio, available with BNC, TNC or SMA connector
- P6082 VHF telescopic antenna for portable radio, available with BNC, TNC or SMA connector

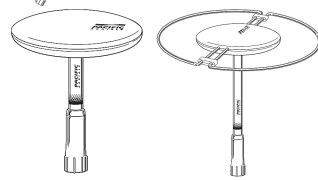

GPS/ Antenna Extension Kit

- P6010 GPS/ antenna extension kit 0.6m
- P6008 200mm GPS Extension Mast
- P6009 450mm GPS Extension Mast

TV Antennas

- P8021 OmniPro VHF/UHF TV antenna with installation kit
- P8022 OmniPro UHF TV antenna with installation kit
- P8023 UniPro Directional UHF/VHF TV antenna

LONGREACH PRO SERIES

No-cable antennas; first choice for new installations

LongReach Pro Antennas - VHF and AM/FM

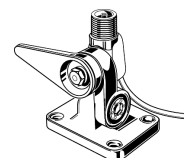

Stainless Steel ferrules - fit with LongReach Pro Antenna mounts

- P6121 VHF 1.8 metre antenna, UltraGlass, 1/2w 3dBi/ 6dB
- P6123 VHF 2.5m antenna , Ultraglass, 1/2w 3dBi/6dB
- P6122 VHF 2.5 metre antenna, UltraGlass, colinear 6dBi/ 9dB
- P6141 AM/FM broadcast, 1.8 metre antenna, UltraGlass, tuned dipole
- P6142 AM/FM broadcast, 2.5 metre antenna, UltraGlass, tuned dipole

LongReach Pro Antenna Mounts

- P6151 VHF/ Cellular Heavy-duty nylon fold-down mount with 5 metre cable and FastFit plug
- P6154 AM/FM Heavy-duty nylon fold-down mount with 5 metre cable and car radio plug
- P6158 AM/ FM s/steel fold-down mount with 5 metre cable and car radio plug
- P6159 VHF/Cellular s/steel fold-down mount with 5 metre cable and FastFit plug

LongReach Pro Antennas - Cellular

- P6131 AMPS/ CDMA cellphone 0.6 metre antenna, UltraGlass, colinear 5dBi/ 8dB
- P6132 GSM cellphone 0.6 metre antenna, UltraGlass, colinear 5dBi/ 8dB
- P6133 AMPS/ CDMA cellphone 1.8 metre antenna, UltraGlass, colinear 7dBi/ 10dB
- P6135 GSM cellphone 1.8 metre antenna, UltraGlass, colinear 7dBi/ 10dB
- P6134 AMPS/ CDMA cellphone 2.5 metre antenna, UltraGlass, colinear 9dBi/ 12dB
- P6136 GSM cellphone 2.5 metre antenna, UltraGlass, colinear 9dBi/ 12dB
- P6137 900/1800 cellphone 0.6m antenna, Ultraglass, 3dBi

LONGREACH STANDARD SERIES

Longreach ANTENNAS

Stainless Steel ferrules - Install with Longreach antenna mounts

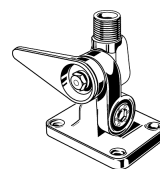

- P6053 VHF 1.8 metre antenna, UltraGlass, 5 metre cable and FastFit plug, 1/2w 3dBi/ 6dB
- P6059 VHF 2.5 metre antenna, UltraGlass, 5 metre cable and Fastfit plug, 1/2w 3dBi/6dB
- P6051 VHF 2.5 metre antenna, UltraGlass, 5m cable and FastFit plug, colinear 6dBi/ 9dB
- P2034 VHF 4.9m 2 section antenna, UltraGlass, 5m cable w FastFit pl, colinear 6dBi/ 9dB
- P2035 VHF 7.3m 3 section antenna, UltraGlass, 5m cable w FastFit pl, colinear 6dBi/ 9dB

- P6034 AM/FM broadcast, 1.8m antenna, UltraGlass, tuned dipole, 5m cable & car radio plug
- P6030 AM/FM broadcast, 2.5m antenna, UltraGlass, tuned dipole, 5m cable & car radio plug

LongReach Antenna Mounts

- P6071 Nylon heavy duty fold-down mount, 10mm stainless steel fasteners
- P6079 Stainless steel Fold-down mount
- P6078 Stainless steel deck mount
- P6068 Aluminium bolt-through mount

HF/SSB Emergency Antenna

- P2030 SSB 2-6MHz 3.8 metre 2 section emergency antenna, UltraGlass, with mounts

HF/ SSB Antennas

Install with LongReach antenna mounting kit P9055

- P2031 SSB 2-30MHz 4.9m 2 section main antenna, UltraGlass, stainless steel couplers
- P2032 SSB 2-30MHz 7.3m 3 section main antenna, UltraGlass, stainless steel couplers

LongReach HF/SSB Antenna Mounts

- P9053 Stainless steel swivel mount
- P9054 Antenna support bracket
- P9055 Mounting kit for 4.9m and 7.3m antennas (P9053 + P9054)

DEEPSEA RANGE

DeepSea Antennas

Install with DeepSea antenna clamps

- P6025 VHF 1.5 metre x 35mm UltraGlass with stainless steel clamp tube, 1/2w 3dBi/ 6dB
- P6029 VHF 2.5 metre x 35mm UltraGlass with stainless steel clamp tube, colinear 6dBi/ 9dB
- P6038 AMPS/ CDMA 2.5 metre x 35mm UltraGlass with stainless steel clamp tube, colinear 9dBi/ 12dB
- P6039 GSM 2.5 metre x 35mm UltraGlass with stainless steel clamp tube, colinear 9dBi/ 12dB

DeepSea Antenna clamps

- P3253 U-bolt kit with clamp, stainless steel 35mm (pair)
- P3254 U-bolt kit with clamp, stainless steel 50mm (pair)
- P9999 Right-angle clamp for 25/ 50mm antenna, stainless steel (pair)
